

St. Luke's by the Numbers - 2025

\$12.4 Million
Total community benefit

Elmore County Overview

St. Luke's Elmore Medical Center is a critical access hospital serving Mountain Home and the large, rural areas of Elmore County. The former Elmore Medical Center was founded in 1955 and integrated with St. Luke's Health System in 2013. The hospital, area clinics and local providers are a vital part of this close-knit community, which includes Mountain Home Air Force Base.

All data are from fiscal year 2025 (Oct. 1, 2024, to Sept. 30, 2025). Numbers of 1 million or more are rounded.

We are committed to improving the well-being of our community. This year, Community Health Improvement Fund grants supported programs addressing food insecurity, behavioral and mental health, and physical wellness, all of which benefit vulnerable populations. Our Elmore team also generously donates to the Foundation to help meet patients' needs.
