

St. Luke's by the Numbers - 2025

\$1.18 Billion
Total community benefit

Health System Overview

As the only Idaho-based, not-for-profit, community-owned and community-led health system, St. Luke's is dedicated to our mission to improve the health of people in the communities we serve in Southwest and Central Idaho, Eastern Oregon and Northern Nevada. From our founding in 1902 to our establishment as a health system in 2006 to today, St. Luke's has been a leader in quality care and a vital partner in addressing community health needs.

All data are from fiscal year 2025 (Oct. 1, 2024, to Sept. 30, 2025). Numbers of 1 million or more are rounded.

St. Luke's mission is made possible in part through purpose-driven partnerships. We're honored to work alongside local organizations and schools to expand access to care, address social drivers of health and promote wellness. Together, we reach more people, close gaps in health services and build healthier communities.
