All data are from fiscal year 2025 (Oct. 1, 2024, to Sept. 30, 2025). Numbers of 1 million or more are rounded.

A snapshot of community benefits

I am so grateful for our tremendous St. Luke's team. We're honored to take part in initiatives like supporting the local warming center and hosting a refrigerated semitrailer that serves as a hub for food pantries. Through compassionate service and strong partnerships, we remain dedicated to improving the health of people in the communities we serve.
