

St. Luke's by the Numbers - 2025

\$14.7 Million
Total community benefit

Wood River Valley Overview

St. Luke's Wood River Medical Center is a critical access hospital serving Blaine County and the surrounding region. It provides a broad range of advanced services for its size, including an Emergency Department staffed by board-certified emergency physicians, state-of-the-art surgical facilities, and outpatient infusion services, including chemotherapy. A wide variety of primary and specialty care providers coordinate patient care in local clinics, along with a network of more than 150 physicians.

All data are from fiscal year 2025 (Oct. 1, 2024, to Sept. 30, 2025). Numbers of 1 million or more are rounded.

A snapshot of community benefits

\$3.3 Million
Charity care

\$5.5 Million
Total under-reimbursed care

In 2025, St. Luke's mission was exemplified in impactful initiatives in our community, including a new surgical robotics program to enhance local care and expanded Air St. Luke's operations, which will deliver faster responses to time-sensitive emergencies and seamless hospital transfers. Our dedicated team members continue to provide exceptional, mission-driven care every day.
